

EASY METHOD DRIVING SCHOOL SPONSORED BY THE OMHS PTSA

After-school Driver's Education is returning to Old Mill! The OMHS PTSA is sponsoring the Easy Method Driving School as a fundraiser.

The sessions will be held immediately after school; from 2:15 pm till 5:30 pm. Easy Method is fully accredited and offers a Maryland State-approved driver's education program that includes the 30-hour class and 6-hour driving instruction.

The total cost of the program is \$389.95, of which the PTSA receives \$40. We realize that there are probably more affordable, price-competitive driving schools, but we hope that the convenience of after-school driving classes, along with support for the PTSA, will encourage you to enroll your student in this program

Each session runs for 10 days. In the event of an early school closing, classes will resume the next school day and continue until the course is complete. The Easy Method instructor will coordinate the make-up classes. Please contact EZ Method directly with any schedule questions.

Easy Method will offer the sessions over about a three week period, running Tuesday through Thursday the first two weeks and Tuesday through Friday the final week. We hope by eliminating Monday classes and holding only one Friday class that the sessions will be more convenient for students and parents alike. The dates are:
