

Attention Old Mill High School Parents, Students, Faculty, and Staff...

Please support Old Mill High School students by taking advantage of the Giant, Safeway, Lauer's, Office Depot, and Target rewards programs. Many of you already have these cards, all you have to do is register your card or notify your friendly cashiers! Please read the directions below for each program.

For OMHS to receive a monetary bonus from Target, you must have a *Target Red Card* (which is a Target credit card). If you have one, you can register it so that OMHS will receive money for school projects.

To register your Target Red Card:

Go to Target.com

On the bottom of the page, click on *Take Charge Of Education*

It will ask for our school number which is - 57398

Follow the directions for enrolling your red card.

Giant

To register your Giant card:

Go to GiantFood.com

Click on "*Our Stores*" and "*Register Your Card*"

When it asks for our school number, enter - 01115

Follow the directions to register your card.

Lauer's Supermarket

If shop at Lauer's supermarket, you must register your card at the store. Speak to your cashier.

Office Depot

Each time you make a purchase, just ask the cashier to give the credit to OMHS. Each cashier has a list of schools.
